

## SITUATION IS GROWING WORSE

Three Revolutions Raging on the Island of Santo Domingo.

## PEOPLE GREATLY EXCITED

### GUNBOAT NEWPORT SENT TO THE SCENE.

Santo Domingo, Republic of Santo Domingo (Saturday), Dec. 26.—The city of Santo Domingo is again harried, this time against the forces of the new provisional government founded at Azua de Compostella by General Pelletier, which are marching on the capital. The financial position of the Morales government is bad. The officials find it difficult to obtain rations for the soldiers.

The American minister, Mr. Powell, who has been in the suburbs, has been compelled to move the legation inside the city boundaries.

President Morales returned here last night. He found it impossible to land on the northern part of the island, but he was able to land at San Cristobal, two hours distant from here. Much excitement prevails at this place. The arrival of the American warship to reinforce the gunboat Newport is anxiously desired.

## GUNBOAT NEWPORT SENT.

Additional Protection Required at Santo Domingo.

Washington, Dec. 23.—With three revolutions raging on the island, the forces of Jimenez within four hours of Santo Domingo City, and the gunboat Newport, Minister Powell thinks the situation demands the presence of an additional warship, and in a cablegram dated yesterday appeals to the state department for aid in anticipation of the crisis, which appears to have arrived, the state department had already taken steps to send another warship to Santo Domingo, and at the request Secretary Moody yesterday called Rear Admiral Lambertson, commanding the South Atlantic squadron, now at Trinidad, to dispatch one of his vessels to Santo Domingo at full speed to assist the gunboat Newport in protecting American and other interests.

## SHUNTED OFF.

Wos y Gil Out of Touch With Santo Domingo.

San Juan, P. R., Dec. 23.—The Cuban steamer which touched here via Puerto Plata, Santo Domingo, has ceased to call at San Juan, thus severing that line of communication of Gen. Wos y Gil, former president of Santo Domingo, with seat of war in that republic. The Gil party openly announce that they will sail for Santo Domingo Jan. 6 to co-operate with Gen. Jimenez. The gathering of the Cuban steamer continues in Porto Rico. Governor Hunt still refuses to recognize the Morales consulate here, which has appealed to the French consul to prevent the sailing of Gen. Wos y Gil for Santo Domingo on a French steamer.

## BATTLE GOING ON.

Insurgents Have Attacked City of Santo Domingo.

San Domingo, Sunday, Dec. 27.—The insurgents are attacking this city, which is being defended by the troops of the provisional government, who are now fighting in force. The Clyde line steamer Cherokee arrived in port today. The government authorities demanded that that portion of Cherokee's cargo destined for Azua de Compostella be discharged here. This demand was resisted by the steamship agents, who notified the government that the Cherokee would proceed to Azua de Compostella. In case of aggression on the part of the government authorities the steamship agent will ask United States Minister Powell for protection.

## CABINET MEETING FRIDAY.

Situation at Kishineff, Russia, May Be Discussed.

Washington, Dec. 23.—A meeting of the cabinet, the first held during the holiday recess, has been called for Friday for the purpose of considering some departmental matters which the president desires to take up with his advisers. Assurance is given that nothing of serious import has arisen which has rendered the meeting necessary. It is understood that the president indicated to the members of the cabinet several days ago that he wanted them to meet him today.

## HEAD OF ROCK ISLAND

L. F. Loree Elected President of the Holding Company at Special Meeting.

New York, Dec. 23.—L. F. Loree, late president of the Baltimore & Ohio, was elected president of the Rock Island company of New Jersey, the holding company controlling the various railroads in the Rock Island system. The election took place at a special meeting of the directors, at which President W. B. Leeds presented his resignation and was chosen chairman of the board of directors, a position hitherto unoccupied. Mr. Loree was also continued as head of the operating company, being re-elected president by the board of directors of the Chicago, Rock Island & Pacific Railway company earlier in the day.

All the other officers of the Chicago, Rock Island & Pacific were re-elected, except the third vice president, in which position E. L. Winchell succeeds J. M. Johnson, the complete list being as follows:

W. B. Leeds, president; D. G. Reid, chairman of the board; Charles H. Warren, first vice president; Robert Mather, second vice president; B. L. Winchell, third vice president; John F. Stevens, fourth vice president; George H. Crosby, secretary-treasurer.

## MYTHICAL ESTATES.

Many People Paid Fees to Sharper and Got No Returns.

Washington, Dec. 23.—The state department for some time past has been receiving inquiries from people of moderate circumstances, and some almost in poverty, as to the operations of some one known as George Thatcher, who has addressed notes to various people representing himself to be administrator of vast estates in England in which the deceased were informed they had an interest.

Some at least of those written to paid fees to Thatcher and, receiving no interest in the alleged estates, inquired of the state department for information as to the estates. The department referred some of these inquiries to the United States embassy at London, and Acting Secretary Loomis has just received a report from that office to the effect that Thatcher had been prosecuted for fraud and forgery in London before the chancery court in 1899, had pleaded guilty and had been sentenced to eighteen months imprisonment. A great many of the inquiries came from Dayton, O., and its vicinity.

## DEMURRAGE RATES.

Complaint Filed Before Interstate Commerce Commission.

Washington, Dec. 23.—If the interstate commerce commission takes cognizance of a complaint filed today by the Fred G. Clark company of Cleveland against the Pittsburgh, Cincinnati, Chicago & St. Louis Railway company, all the demurrage rates will be subjected for the first time to general investigation through the application of interstate commerce regulations. The complainant has protested against the payment of excessive charges on its own cars, which were delayed in unloading on tracks controlled by the consignees of the contents of the car, and asks a ruling on this point. Similar protests have been made to the courts a number of times, but have been upheld. A different aspect is given to the complaints, however, in the presentation which has been made to the interstate commerce commission, and the case promises to attract wide attention among shippers and railroad officials.

## REAR-END COLLISION.

Baggageman Killed and Fireman Severely Injured.

Fort Wayne, Ind., Dec. 23.—Limited train No. 5, westbound, on the Pennsylvania railroad, was partially wrecked today in a rear-end collision with a freight train near Larwill, west of here. Baggageman Ralfeider was killed. Fireman Elmer Stafford of the limited was also severely injured. Three porters and H. C. Suttler of Norfolk, Neb., and I. G. Betts of Chicago, passengers, were injured. The wreck was due to a mistake by Engineer Croxwell of the freight in reading orders. Account of a bad stretch of track near where the wreck occurred the limited was running at a very moderate rate. Otherwise it would have been running at a terrific speed, as it was behind time.

## HEIRESS MISSING.

Strange Disappearance of Miss Ethel Revell.

Meridian, Miss., Dec. 23.—It is reported here that Miss Ethel Revell of Birmingham, Ala., who is said to be an heiress to a large fortune, has disappeared and relatives are anxious about her. Miss Revell had been in Meridian since November visiting her aunt, Mrs. J. M. Huskey, and was to remain here until February. On Wednesday last she left her aunt's residence to do some shopping and has not been seen since. Miss Revell is said to have inherited an estate left her by Mrs. Minerva Benford of Denver, Colo.

## LUMBER MERGER.

Grand Rapids, Mich., Dec. 23.—Three of the largest lumber firms of the state have been merged here into a new company to be known as the Hackley-Philpotts company. They are the Wisconsin Lumber & Bark company, the Grand Rapids Bark & Lumber company and the Hackley-Bonnell Lumber company. The new corporation has extensive interests in Wisconsin and the south. The capitalization is \$1,000,000. The merger was made, it is said, principally to avoid conflict of interests.

## WORK OF TRAIN WRECKERS.

New Castle, Pa., Dec. 23.—The Pittsburgh & Lake Erie westbound midnight passenger train leaving Pittsburgh at 11:30 o'clock, was derailed at New Castle Junction. It is said the accident was caused by an attempt to wreck the train. The train consisted of five day coaches and two Pullmans, and nearly all left the track, but no one was seriously injured. A spike had been driven into the switch.

## HOPE FOR RECOVERY.

### REASSURING CABLEGRAM FROM ODESSA.

Washington, Dec. 23.—At the instance of President Roosevelt, who has interested himself in the reports from abroad of massacres and contemplated massacres of Jews in Kishineff, the state department is making active inquiry through its diplomatic and consular offices with the view to ascertaining the exact situation as affecting these people. The United States consular agent at Odessa already has been heard from and he cabled the state department today that there had been no fresh outbreak at Kishineff as reported.

Simon Wolf, representing the B'nai B'rith, and Adolphus H. Solomons of New York, one of the trustees of the Baron de Hirsch fund, held a conference with Acting Secretary Loomis today, during which the subject of the Jews in Russia was discussed. Mr. Loomis showed them the Odessa dispatch, which gave them some feeling of relief. They did not present a petition, and will not do so unless later information proves the situation to be as serious as reported. Mr. Wolf said that he had been impelled to call at the department on account of the meeting which recently was held in England, at which Lord Rothschild presided, which he said gave the matter a character of seriousness which otherwise might not have been accepted.

Mr. Wolf endeavored to have an audience with Baron Sternberg, the German ambassador, today, but without avail.

The ambassador was not at home to Wolf when the latter called at the embassy, and had Baron von Busche Hadenhausen, the first secretary and counselor, see him. Mr. Wolf informed Baron Busche that he came primarily in the interest of a client who had done some legal work for the embassy and was now in trouble. Mr. Wolf improved the opportunity to convey to the ambassador his interest in the Kishineff agitation in this country, and had an appointment to see the president on the subject today.

Mr. Wolf also called on the Russian ambassador, Baron de Selys-Longchamps, and had an appointment to see the president on the subject today.

## GRAVELLE TRAPPED.

Alleged Dynamiter's Story Easily Proven False.

Helena, Mont., Dec. 23.—The most damaging testimony to the defendant in the Gravelle case was introduced by the state today to disprove the defendant's alibi. Gravelle was introduced from the Deer Lodge penitentiary July 15 last, and the first threatening letters were mailed from Helena, Mont., July 17. When Gravelle left Deer Lodge he had a ticket for Butte, and he testified that he did not go to Butte for two days, taking a branch road and going to Anaconda. In support of his testimony Gravelle introduced two witnesses.

Today the state put on the stand P. H. Haynes, inspector of the Butte, Anaconda & Pacific railway, which runs the branch from Stuart to Anaconda, and he testified that he had changed cars that day at Stuart for Anaconda was false.

## CLEAR FIELD AHEAD.

Greene Resigns to Make Room For McAdoo.

New York, Dec. 23.—Police Commissioner Greene today sent his resignation to Mayor Low, to take effect Dec. 31. The resignation was made in the belief that he had received the resignation of Deputy Commissioner Ebsworth, Piner and Davis.

A set of engrossed resolutions, signed by every inspector and captain in the department except one inspector who is ill, was presented to Commissioner Greene today.

The commissioner in a speech accepting the testimonials said it was well known that there are bad men on the police force, but it had always been a pleasure to him to say that the majority of the police force are upright, self-respecting men, who do their duty courageously and efficiently.
